This document is a guide. It only briefly describes the employee benefits available to eligible team members. The plans and benefits described herein are sponsored by EBSCO Industries for team members who are part of the EBSCO benefits system. If there are any differences between the information contained in this guide and the master plan documents, the plan documents, hospital policies and procedures, and any applicable federal and state laws will govern. The benefits described in this guide may be changed, modified, or eliminated at any time and without advanced notice.

Benefits Enrollment

New Team Members

If you are enrolling as a newly eligible team member, you must complete your elections within 30 days of becoming eligible for coverage. Your coverage will be effective on your date of eligibility.

Current Team Members

Open Enrollment is held annually each fall. This is the time of year to review your benefit elections, make changes, and enroll in Tax Savings Accounts for the upcoming calendar year. If you are electing new benefits or making changes to your current benefits, your new elections will become effective January 1, 2023.

► **You must enroll every year during Open Enrollment to participate in the Medical and/or Dependent Care Flexible Spending Accounts or the Limited Purpose Flexible Spending Account. Even if you had an account in 2022, you must re-enroll for 2023.**

We encourage all team members to verify their elections and dependent information.

Change in Status Events

Benefit elections can only be changed during the annual Open Enrollment period or within 30 days of experiencing a qualified change in status event. If you elect coverage due to a qualified change in status event, your coverage will begin on the effective date of the event. For information, please go to “Resources” at EBSCOChoice.com.

To receive assistance with a qualified change in status event, please email benefits@EBSCO.com.

Dependent Eligibility

Dependent Criteria: Who Can Be Covered Under My Benefits?

- Your legal spouse
- Your **registered** domestic partner, if legally **registered** in a state, municipality or locality
- Your eligible children to age 26. An eligible child can be your:
 - Biological child
 - Stepchild
 - **Registered** domestic partner’s child
 - Legally adopted child/foster child/child for whom you have legal guardianship
 - Incapacitated child who is unable to support themselves and depends on you for support

Who Cannot be Covered Under My Benefits?

- Domestic partners and domestic partners’ child if domestic partnership is not legally **registered** in a state, municipality, or locality
- Ex-spouse (even if court ordered)
- Common law spouse
- Any other individual who does not meet criteria above

An annual audit will be conducted in January 2023 to verify dependent eligibility. If a dependent is found to be not eligible under EBSCO plan(s), the dependent will be removed from EBSCO’s plan(s) effective January 1, 2023 and prior claims for the ineligible dependent will be recalled.

Steps To Enroll

The following information will assist you in enrolling in EBSCO benefits. You must enter all dependent and beneficiary information in *myEBSCO* before you elect coverage.

Vulcan Industries employees: please contact your HR Representative to receive instructions on how to enroll.

- ▶ **When creating a new dependent/beneficiary record in *myEBSCO*, you MUST enter the dependent/beneficiary date of birth in the “valid from” field at the bottom of the screen.**

Access Enrollment Through *myEBSCO*

Tax Savings Accounts

Flexible Spending Accounts and Health Savings Account (HSA)

EBSCO offers tax savings accounts, through HealthEquity, to its employees. These accounts allow you to set aside money from your paycheck before it is taxed to pay for qualified medical, dental, vision, or dependent care expenses as defined by the IRS. You benefit from planning for upcoming expenses and you also save on your taxes.

- ▶ You must enroll each year during the annual Open Enrollment period to participate in a Flexible Spending Account for the upcoming year. If you had an account last year, you must re-enroll this year.

Disability

Short Term Disability Coverage

EBSCO provides Short Term Disability salary continuation benefits at no cost to eligible team members after one year of service—no enrollment required. This benefit will pay 60% of your basic earnings, for up to 25 weeks, if you experience a short term, non-work related illness or injury. The Short Term Disability will run concurrent with the medical leave you are entitled to under the Family and Medical Leave Act (FMLA).

Contact your HR Representative for additional information.

Long Term Disability

EBSCO's Long Term Disability coverage is through New York Life (formerly Cigna). This coverage replaces 60% of your monthly income, up to a maximum monthly benefit of \$10,000. Benefits are payable once you have been unable to work for a period of 180 days. Your benefits will be reduced by other sources of income. Also note, benefits are not payable if you become disabled from a pre-existing condition within the first 12 months of being insured.

For current team members who elect long term disability coverage for the first time during Open Enrollment 2023, as well as for new hires, you will be able to elect coverage without having to complete an Evidence of Insurability.

You will be responsible for 50% of the monthly premium until you have completed five (5) years of consecutive plan participation. After five (5) years of consecutive plan participation, EBSCO will increase its contribution by 10% each year of enrollment until the benefit is 100% paid by the company.

Cost

The monthly cost is \$0.22 per \$100 of covered benefit. To calculate your monthly premium, use the following formula:

$$\text{Premium} = (\text{Monthly income} \times \$0.22) / 100$$

For example, if you make \$1,000 per month,

$$\$1,000 \times \$0.22 = \$220.00$$

$$\$220.00 / 100 = \$2.20$$

For more detailed information on Short Term Disability and Long Term Disability, visit [EBSCOChoice.com](https://www.ebscochoice.com).

Life Insurance

EBSCO offers several life insurance options to our employees through New York Life (formerly Cigna):

- Employee Basic Life and AD&D
- Employee Optional Life
- Spouse/Domestic Partner Optional Life
- Child Optional Life

For current team members who add, elect, or increase a life insurance coverage for the first time during Open Enrollment 2023, as well as New Hires, you will be able to elect coverage up to the guaranteed issue amount without an Evidence of Insurability. If you have current insurance coverage, you can increase coverage up to the guaranteed issue amount without completing the Evidence of Insurability.

Employee Basic Life and AD&D

Team members can elect Employee Basic Life and AD&D coverage in the amount of 1x annual base salary, up to \$100,000. **For 2023, the guaranteed issue amount is 1x annual base salary, up to \$100,000.**

Cost:

The monthly cost is \$0.070 per \$1,000 of covered benefit. To calculate your monthly premium, use the following formula:

Monthly Premium = annual salary (up to \$100,000 and rounded to the nearest thousand) x \$0.070 / 1,000.

You will be responsible for 50% of the monthly premium until you have completed five (5) years of consecutive plan participation. After five (5) years of consecutive plan participation, EBSCO will increase its contribution by 10% each year of enrollment until the benefit is 100% paid by the company.

Employee Optional Life Insurance

- Team members must elect Basic Life and AD&D Insurance in order to elect Employee Optional Life Insurance.
- Team members can elect up to \$750,000 in Employee Optional Life coverage in increments of \$10,000. **For 2023, the guaranteed issue amount is 3x annual base salary, up to \$300,000.**

Child Life Insurance

If you elect Employee Optional Life Insurance for yourself, you may elect Child Life Insurance. The benefit is \$500 from birth to 6 months of age, and \$10,000 from age 6 months to age 26. The amount of Child Life Insurance you elect cannot exceed 50% of the amount of Optional Life Insurance you have for yourself. As a team member, you are automatically the beneficiary of the Child Life Insurance benefits.

The monthly cost of Child Life Insurance is \$0.39, regardless of the number of children covered.

Spouse/Domestic Partner Optional Life

Spouse/Domestic Partner Life Insurance coverage is available in increments of \$5,000 up to a maximum of \$250,000. A team member must elect Basic Life Insurance and Optional Life insurance in order to elect Spouse/Domestic Partner Optional Life Insurance. The amount of Spouse/Domestic Partner Life Insurance coverage you elect cannot exceed 100% of the amount of Employee Optional Life Insurance you have for yourself. As a team member you are automatically the beneficiary of the Spouse/Domestic Partner Life Insurance benefits.

For 2023, the guaranteed issue amount is \$35,000.

Cost – Employee Optional Life and Spouse/Domestic Partner Optional Life:

The cost of Employee Optional Life and Spouse/Domestic Partner Optional Life Insurance is based on the **team member’s age**.

To determine your monthly cost for Employee Optional Life and Spouse/Domestic Partner Optional Life Coverage:

1. Divide your elected amount by \$1,000.
2. Locate the team member’s age on the chart below and multiply the resulting number from Step 1 with the rate that corresponds to the team member’s age on the chart.
3. The resulting number is your monthly deduction.

Optional Employee and Spouse/Domestic Partner Life Insurance Step Rates:

**Rates will change when team member reaches new age bracket during the plan year.*

Saving for Retirement

EBSCO's belief that business is a long-run game also applies to your financial wellbeing. EBSCO's retirement savings benefit, the EBSCO Savings and Profit-Sharing Plan, is established to help you plan for retirement. After three months of service, you can start contributing to this plan and you may save between 0% and 50% of your total payroll wages. If you do not elect a personal savings percentage of 0% to 50% within your first three months you will be automatically set up to contribute 3% of your total payroll wages. You can change your personal savings percentage at any time by logging into principal.com or the Principal app. You can choose from a wide range of investment options on principal.com, the Principal app, or simply use the default target date fund investment option for your account.

You can access more information and designate your beneficiaries by logging into principal.com, the Principal app or calling Principal at 800.547.7754.

EBSCO contributes up to 15% of its pre-tax profit each year. EBSCO's company contribution is not tied to personal savings. Based on your eligibility in the plan, these funds are contributed each fiscal year which for our plan is July – June. The vesting schedule below shows the years of service required to become 100% vested in the company funds contributed to your account.

You now have a new way to save money in the Plan—Roth contributions.

With Roth contributions, you must pay current income tax. Unlike before-tax contributions, Roth contributions are subject to federal income taxes in the year of deferral, but the deferrals and, in most cases, the earnings on the deferrals are not subject to federal income taxes when distributed. Roth transfers and in-plan conversions are also permitted. Your total contributions, before-tax and Roth combined, cannot exceed \$18,000 during the plan year.

We strive to foster a positive, healthy workplace. From healthy living and financial wellness to personal development and community connection. Which is why we aim to provide programs, services, and resources for you to thrive. Below are programs that go beyond typical benefits to help you **work well**.

Employee Wellbeing

Employee Assistance Program

The Employee Assistance Program (EAP) through New Directions provides you and your loved ones free and confidential access to the counseling, programs, tools, and services you need to live a balanced and happy life. The expansive list of EAP resources includes short-term counseling, relationship support, legal and financial services, and an online health resource library.

- All EBSCO team members and their eligible family members (even if not enrolled in the medical plan) have access to six free visits (annually) for confidential counseling or services related to relationship issues, legal or financial struggles, and workplace challenges, among many other stressors of life.
 - Online resources, including a helpline, Health Resource Library, and database of customizable legal documents, are also available.
 - myStrength is a digital behavioral health platform to help you reach goals and maximize your overall wellbeing. From personalized workouts, to MoodTracker and wellness assessments, myStrength can help you reduce stress and feel happier. Visit <https://mystrength.com/r/ebSCO> for more information or to sign up and start your journey to better health.
- **EAP is unrelated to our behavioral health benefits offered through Credence Blue Cross Blue Shield. To access EAP resources, go to ndbh.com, call 800.624.5544, go to EBSCOChoice.com, or contact the Benefits Team at benefits@EBSCO.com.**

Teladoc

All individuals on EBSCO medical plans have access to Teladoc, a comprehensive virtual care solution where you can connect with a medical professional by phone, online, or in their mobile app. Teladoc doctors can diagnose, treat, and prescribe medication for your non-emergency conditions. EBSCO's Teladoc benefit includes general medical services, connecting you with board-certified providers for issues like cold & flu, sinus infections or strep throat, and minor skin issues like rashes. Copays for Teladoc services will mirror your current health plan and copays.

To get started, call **855.477.4549**, download the Teladoc app, or visit member.teladoc.com and fill out the online form with the same information we have on file for you as an EBSCO team member. You will be taken through the process of creating a login and then be directed to the online portal for scheduling appointments.

Paid Maternity and Parental Leave

EBSCO provides paid Maternity and Parental Leave benefits at no cost to eligible employees. The paid leave runs concurrently with the leave you are entitled to under the Family and Medical Leave Act (FMLA). Employees must apply for paid Maternity and Parental Leave by contacting their local Human Resources Representative.

SmileWay Wellness

An online resource for oral health and wellness available to EBSCO team members and their dependents enrolled in the dental plan through Delta Dental. This comprehensive website includes information on emergency care and nutrition as well as interactive quizzes.

For more information, visit deltadentalins.com/oral_health/.

Financial Wellness

CAPTRUST

EBSCO has partnered with CAPTRUST as a resource to advise you on financial decisions. CAPTRUST can guide you through the decision-making process and provide individual, unbiased investment advice like how much you need to save for your retirement. Visit captrustadvice.com or call **800.967.9948** for more information.

My Secure Advantage

Team members who are enrolled in EBSCO's group life insurance policy issued by New York Life are eligible to participate in My Secure Advantage, a financial wellness program that supports the financial health of your household. For more information contact the Benefits Office at benefits@EBSCO.com.

Student Loan Refinancing

With the ever-increasing cost of higher education, EBSCO understands that many of our employees are burdened with large amounts of student debt. To help our employees tackle this issue, EBSCO proudly partners with SoFi, the market leader in student loan refinancing. Whether you are a parent who has taken out loans for a child or a graduate with student loans, SoFi refinances those loans at low rates, creating meaningful savings. For more information, visit SoFi.com/EBSCO.

PerkSpot

EBSCO has partnered with PerkSpot, a one-stop-shop for exclusive discounts at many of your favorite national and local merchants. PerkSpot is entirely free and is accessible from your phone, tablet, or desktop. Enjoy access to thousands of discounts in dozens of categories. From pet insurance and identity theft protection to travel and recreation, PerkSpot puts all the discounts available to you in one location. Visit EBSCO.PerkSpot.com to sign up.

Personal Development

Learning and Training

EBSCO values talent across the enterprise by providing development and growth opportunities to all team members. Employees have access to a variety of training topics from technical and software to leadership and management. By leveraging a blend of online courses, experiential learning, and other events, we make learning possible, practical, and powerful.

Scholarship Program

EBSCO offers scholarship opportunities to dependent children of eligible full-time employees based on need, academic achievement, and extracurricular leadership. The program provides scholarships to assist with tuition and other expenses at an accredited college or university. For more information, please go to <https://intranet.ebsco.com/scholarship-program>.

Travel Assistance Services

Team members who are enrolled in EBSCO's group life insurance policy issued by New York Life are eligible to use New York Life Secure Travel to assist with pre-trip planning, traveling assistance, and emergency assistance. For more information, contact the Benefits Office at benefits@EBSCO.com.

Legal Notices

Cobra Rights Notice

If you enroll in medical, dental, vision, or a flexible spending account, you should be aware of your rights under COBRA (the Consolidated Omnibus Budget Reconciliation Act, as amended). Among other things, COBRA mandates that an employer give employees the ability to continue the same coverage after leaving employment. See the COBRA Notice for more details.

Creditable Prescription Drug Notice for Medicare-Eligible Employees

This creditable prescription drug coverage information is for Medicare-eligible employees and covered dependents. Note: Individuals who are not currently eligible for Medicare and do not expect to become eligible before December 31, 2023, can disregard this information. The notice is required by the government as part of the regulations of Medicare Part D drug coverage. In summary, it states that for as long as you and/or your dependents remain covered by your current EBSCO Industries' sponsored Medical coverage, which includes prescription drug benefits, you do not need to (and in fact should not) enroll in Medicare Part D. It goes on to say that when you do sign up for Part D, you will need to provide a copy of this notice to Medicare when you enroll. See the Creditable Prescription Drug Notice for details.

Healthcare Exchange Notice

The Patient Protection and Affordable Care Act (PPACA), commonly referred to as the Affordable Care Act, provides an alternative way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and employment-based health coverage offered by EBSCO Industries. See the Healthcare Exchange Notice for details.

HIPAA Privacy: Protecting Your Personal Health Information

A portion of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) addresses the protection of confidential health information. It applies to all of EBSCO's medical, dental, and vision care plans. The EBSCO Industries HIPAA Privacy Notice spells out what the plan is required by law to do regarding your protected health information.

Special Enrollment Period for Medicaid or Children's Health Insurance Program (CHIP)

Employees or dependents of an employee who (1) become eligible for Medicaid or the Children's Health Insurance Program (CHIP), or (2) whose coverage terminates due to loss of eligibility for Medicaid may make changes in their medical coverage. Any change requests must be received within 60 days of becoming eligible or of the exhaustion or termination of coverage. Please read the CHIP Notice for more information regarding eligibility, how to enroll in CHIP coverage, or how to receive premium assistance.

The Women's Health and Cancer Rights Act

An employee who is receiving benefits in connection with a mastectomy will also receive coverage for reconstruction of the breast on which a mastectomy was performed and reconstruction of the other breast to produce a symmetrical appearance; prostheses; and treatment of physical complications at all stages of the mastectomy, including lymphedema. Benefits for this treatment will be subject to the same calendar year deductible and coinsurance provisions that apply for other medical and surgical benefits.

Please visit [EBSCOChoice.com](https://www.ebscochoice.com) to review all legal notices.
